Alexandria, VA 22313-1450INFORMATION DISCLOSURE STATEMENT

Sir:

In compliance with the duty of disclosure under 37 C.F.R. § 1.56 and in accordance with the practice under 37 C.F.R. §§ 1.97 and 1.98, the Examiner's attention is directed to the documents listed on the enclosed Form PTO-1449. Copies of the listed documents are also enclosed.

The listed documents besides 0 388 984 A2, 0 299 461 B1, and 0 299 461 A3, were cited in a European Search Report (copy enclosed) issued in a foreign counterpart application. The Examiner is respectfully referred to that Search Report for the concise statement of relevance for those documents. The Examiner also is referred to the English Abstracts attached to the listed Japanese documents for the concise statement of relevance therefor.

COPY

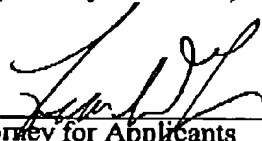

The other documents listed in the Search Report are already of record and therefore those other documents are not resubmitted herewith.

CONCLUSION

It is respectfully requested that the above information be considered by the Examiner and that a copy of the enclosed Form PTO-1449 be returned indicating that such information has been considered. Enclosed is a check for the required fee of \$180.00 to cover the Information Disclosure Statement under 37 C.F.R. 1.97(c)(2). Please charge any deficiency in this fee, and credit any overpayment, to Deposit Account 06-1205. It is believed that the Information Disclosure Statement should be considered by virtue of the payment of the \$180.00 fee, since, for the reasons given in the Amendment After Final Rejection filed on June 10, 2003, the "final" status of the outstanding Office Action (dated March 10, 2003) is believed improper.

Applicants' undersigned attorney may be reached in our New York office by telephone at (212) 218-2100. All correspondence should continue to be directed to our address given below.

Respectfully submitted,
